### - Instructions -

1.) List any AP, IB, AICE, CLEP, DANTEs, Excelsior, and/or Dual Enrollment Credit that does not fulfil any GEP requirements with the grade/score earned.

Examples:

- DEP 2004 (B+)
- IB French (5) FRE2201
- AP Human Geo. (3) GEO 1400

2.) Some expected credit may apply to a GEP area, but **not appear on the GEP Form**. Write the course code for the expected credit, and your score/grade in a blank space within the GEP area it satisfies.

3.) Pay attention to your incoming State of Florida Dual Enrollment credit!

If the first three letters of the course code prefix (e.g. **ENC**) and the last three numbers of the course code match (e.g. **1101**), it is UCF Equivalent!

Make sure to mark any GEP equivalent Dual Enrollment courses on the front of this form.

↳ Example – Speech **SPC X608**:

Speech at Daytona state  
is coded as: **SPC 2608**

Speech at UCF               =                 
is coded as:               **SPC 1608**

They are equivalent! ←

**If you are uncertain,  
ask your Advisor!**
